Kevin:

Applicant's new representative Raymond Russell (call back number is 216.522.8373) called regarding 371 application S/N 10599433. They received a nitice re:Missing parts which asked for a squence listing. The application does not have any squences in the specification, claims, drawings, or abstract and applicant's representative asked for clarifiction about sequence compliance.

The notice was mailed 18 Feb. The application does not appear to need or require sequence compliance. The notice can be withdrawn because there is no sequence compliance issue..
